Professional Summary

Junior Full-Stack Developer and Junior Product Designer with a Mechanical Engineering background and experience designing and developing user-centred digital products. Skilled in HTML, CSS, JavaScript, React, responsive web development, UI/UX design, Figma, wireframing, prototyping, usability testing, and collaborating with cross-functional teams. Passionate about building scalable, accessible web applications while delivering intuitive user experiences.

Core Skills

Frontend: HTML5, CSS3, JavaScript, React, Responsive Design
Backend: Node.js (Junior), REST APIs, Database Fundamentals
UI/UX: Figma, Wireframing, Prototyping, User Research, Design Systems, Accessibility
Tools: Git, Microsoft Office, Google Workspace, Adobe XD

Professional Experience

UI/UX Designer & Junior Product Designer – BakanGizo Pharmacy & Stores (Jun 2026–Contract)
- Designed customer-facing and internal digital experiences.
- Created user flows, wireframes and high-fidelity prototypes.
- Collaborated with stakeholders and developers.
- Maintained reusable design systems.

UI/UX & Product Design – TA Academy (Jun 2026–Sep 2026)
- Designed responsive interfaces in Figma.
- Built wireframes, user flows and prototypes.

UI/UX Design Intern – CodeAlpha (Jan 2026–May 2026)
- Designed dashboards.
- Conducted user research and collaborated with developers.

UI/UX Design Intern – FlyRank (Jul 2025–Nov 2025)
- Designed AI product interfaces and supported usability testing.

Projects

Delivery Hub – Mobile Delivery App Onboarding (UX Case Study, 2026)
- Designed a five-step onboarding flow, from welcome to delivery confirmation, for a delivery app.
- Designed key screens with clear calls to action, consistent hierarchy and accessible contrast.
- Defined success measures (completion rate, sign-up drop-off, time to first booking) for usability testing.

Education

B.Eng. Mechanical Engineering
Michael Okpara University of Agriculture, Umudike (2017–2023)

Certifications

- Google UX Design Certificate
- UI/UX Design Certification

Tools & Technologies

Figma, Adobe XD, Sketch (Basic), HTML, CSS, JavaScript, React, Git, Microsoft Office, Google Workspace
